I thought this was the one that you/Victor were mailing the disks to Randy at hq for review. I told Randy that for his update to Mathy.

Do you know if this is considered final and ready for dissemination? I know

RCLs/HQ are responsible for notifying the staffers once the responses are finalized, but how will we know that? Will you notify us and will the spreadsheet indicate Legal Approval and JIC Approval received?

If you could let me know the status of this particular request, that would be great.

Thanks!

We had a congressional request last week from Boxer and worked through Rebecca Russo to provide response. His staff have the 2011 draft. Johanna
